CHIC DNA REPOSITORY

This Dog has a DNA sample banked with the CHIC DNA repository. This sample may be used at the discretion of the CHIC DNA bank for canine health research. Any samples provided to the research community will be provided in a blind format which does not release the individual dog or owner identity. The owner of record at the time of submission may be contacted periodically by the bank to update the dog's phenotypic health survey. The DNA bank number assigned to this dog is:

RO-DNA-21

owner

SAMANTHA & STEVEN CANUSO
103 TIMBERLINE DR
DOUGLASSVILLE, PA 19518

G.G. Keller, DVM, MS, DACVP
